This truly unique fundraising event was created from two of the area's premier fundraisers: **Come To The Table** and **Wine for WERC**.

The evening will include wine, beer, and other tastings from featured local vendors while guests enjoy live music and carefully paired heavy hors d'oeuvres. Guests may also purchase tickets for our Pick-A-Prize Drawings, amazing themed baskets donated for the event with winners drawn later in the evening!

In the meantime, gorgeous Table Designs on display at the venue are available for Silent Bid or outright Purchase by anyone in attendance! The evening culminates with an exciting Last Chance Live Auction, where our auctioneer will close out each Table Design and one lucky bidder will take their prize home with them.

All this, plus dancing, awards, and more make for an evening you're guaranteed never to forget. Consider supporting this extraordinary event today!

All proceeds benefit **The Peacemaker Program and the Women's Employment & Resource Center** (soon to be Empowered Pathways), registered 501(c)(3) charitable organizations. All sponsorships and donations are tax-deductible to the extent allowed by law.

Tables & Tastings is the premier fundraising event in Central New York, raising much-needed funds to support individual empowerment, conflict resolution, employment & training, advocacy, and more for women, families, and the community. All funds raised stay and are invested **locally**, making a difference and saving taxpayer dollars where our supporters live and work.

Tables & Tastings offers an opportunity to reach thousands of clients, partners, and professionals served by **The Peacemaker Program, Inc.** and **The Women's Employment and Resource Center** every year.

Opportunities to donate to individual Table Designers or Basket Makers for the event, as well as other in-kind donation opportunities, are also available.
